Dear Juan Carlos,

Thank you for your letter dated October 11, 2001. IFAST discussed your proposal for a formal liaison relationship between IFAST and GGRF at our meeting in October and enthusiastically supports its creation. Enrique Hervas, from Telefonica Moviles (Spain), has graciously agreed to act as the IFAST liaison representative with GGRF. Enrique can be reached via telephone at +34 9142 34032, or via email at hervas_e@telefonicamoviles.com. Please contact Enrique with any projects that you feel we can assist each other with or work together on cooperatively. IFAST anticipates working closely with the GGRF and is looking forward to a fruitful relationship.

Best Regards,
