Dear Maria,

On December 6, 2004 the IFAST Management Team made a decision to change its secretariat support agency to TelecomXchange International (aka TXI) and since December 10, 2004 TXI has been performing the billing and collection functions for IFAST, Ltd.

Please be assured that payments made by Pelephone Communications, Ltd. to FAST Secretariat c/o TelecomXchange International (TXI) for IRM annual fees will be properly credited and the IRM payment status for Pelephone Communications, Ltd. will be reflected on the website as current.

TXI payment information is provided on the IFAST website, www.ifast.org and I have listed it below for your convenience. Please feel free to contact myself or Ed Hall should you have any further needs.

Sincerely and best regards,
